

Gender Based Violence and the Role of Media-Interaction with Desk Editors

10 August 2009

In the process of taking forward the campaign on GBV and UNSCR 1325 and 1829, desk editors have been invited for an interaction on how the role of media can be effectively played.

The program discussed on how issues can be priorities and what could be the strategies to bring forward the issued particularly VAW and UN Resolutions 1325 and 1820. The program also discussed on the role of editors in taking out these issues.
